

## **CIF FINLAND IPEP 2024**

**MAY 2 - 27, 2024**

### **CIF Finland welcomes you to our program**

The program is a combination of lectures, field visits to governmental agencies, NGOs, and cultural events to learn more about Finnish social work, politics, and culture.

The group meets mostly in the capital Helsinki area.

The fieldwork consists of an individual placement in some smaller town (one week). There the program is based on the own wishes of the participant.

Domestic travel related to the program is paid by CIF Finland. The voluntary host families offer room and board during the program.

Lectures and other co-operation are organized with the Swedish School of Social Sciences, University of Helsinki.

The application form can be uploaded from CIF International web site. Send your application to us through your National Branch / Contact Person in your country with their recommendation letter. From countries without a NB or CP you can send the application form directly to CIF Finland.

The participants are responsible for their international travel costs and travel and health insurance covering medical treatment and valid vaccinations. The current info you find at Ministry for Foreign Affairs of Finland [News](#).
